1946

The Senior Class of '46,  
Would like to dedicate,  
To Mrs. H. J. Juelfs  
This annual of late.  
Her suggestions helped us greatly,  
And the attitude was kind,  
She had much consideration  
Which is very hard to find.  
Though greatly handicapped  
She thought of herself last,  
As we progress into the future  
We remember her help in the past.  
And so to our advisor and teacher,  
We wish much happiness true,  
In the future as in the past  
May good luck come to you.

# PROPHECY

Well hello folks this is J.M. Windbag, bringing you my first speech on station G.C.H.S., in the year of 1956. As we look back in the past we find that a fine bunch of Seciors graduated from Gilmore High School in 1946. Now even ten years later we drop in on them.

## "TIME MARCHES BACK"

It's a great decision for Miss Joanne Herrick, for she can't make up her mind whether to continue her Interior decorating career, or to become the wife to a widly know lawyer by the name of Edward Hart. Ed finds the court cases in which women are concerned are the best ones.

It's a happy day for Mr. and Mrs. Jim Donnelly, when Jimmy came marching down the steps of his old law school building with his diploma in his hand, and to meet his wife; the former Joanne Kleen, a graduate of St. Catherine's College, who previous to their marriage was a sad girl until Jim said the words, to which she replied "YES!"

Lucille Davis is still in that little apartment of hers in Ft. Dodge. She still works as a clerk in a store and gets a five dollar raise every other week. Not bad!!

The great event has come again for Beth Coffin who is now Mrs. Tim Hooper, when the stork arrived the fifth time, and with twins, one like Beth and the other like Timmy.

"FLASH!" The fleets in! And seaman Ed Cook one of Gilmore's jolliest boys is homeward bound; and let me tell you these pool tables better be warmed up!

There's a beautiful house by the sea shore where Mr. and Mrs. Robert Paulsen settled down to a grand and wonderful life, with Bobby Jr. tearing around in the Plymouth. Incidentally, Mrs. Paulsen is the former Irene Siefert.

Major Bill Brown of the U.S. Air Forces has made a crashed landing on the roof garden at Arnolds Park to find a beautiful hunk of woman to be his co-pilot in his ship the "Redball."

Well, now, let me tell you, I know where all the sailors go when they're sick. There happens to be a certain nurse who graduated from Gilmore High, who works in a hospital in Fort Dodge. Well it's Miss Lorraine Hinrichs.

Wrestling coach Curt Stein has set a new all time record in the State of Iowa. The high school in which he is coaching, has many state champs, who have been trained by Curt. They can throw their man in 37 seconds too!

"It's a wonderful life," said Art Petersen, as he sat on his tractor, puffing away at his pipe, "and just to think," he muttered "while other people work, I just go home and enjoy company of the little woman."

There's a little red school house by a little brown church, where Maxine Thacker now teaches; and just to think that all of the pupils are West Bend boys.

Doris Knieriem is also employed as a school teacher, for the last ten years in a rural school.

There's a quaint little office, just around the corner of Main Street, where Miss Mavis Law works as a secretary. And believe me she can type and take dictation faster than any secretary I know.

Now that the folks moved to town, Jim Bowden has full management of the farm. He puts everything in full safe scale production, and then takes a well earned vacation.

That little old schoolhouse just over on the next section, is where we find Miss Carol Claussen teaching school. It seems that there are quite a few Gilmore Gals teaching school.

Just home from four years of college Lowell Shelgren finds it great to the mind to do farm work the scientific way. Such as doing the chores without working.

Miss Mary Murphy now working in a hospital in Fort Dodge, as a nurse, finds it most impossible to work in the hospital and dance in the "Laramor" with those cute Fort Dodge boys at the same time.

The Marines have landed, AND HOW! on the town of Plover. Gail Rice just home on a furlough of the Marine Corps is visiting his girl at Plover. I think they'll probably visit the preacher.

Doris Bruner is a peaceful and loving house wife for a certain man by the name of George from Rutland. I remember when she used to get teased in school, about "Georgie."

Down came the gang plank and out strolled two great sailors with not a thing in the wrld to disturb them, only work. They used to run the moving picture at the Gilmore Theater, but now Chief Petty Officer Harvey Olesen Jr. and Chief Petty Officer Robert Skow of the U.S. Navy run the scrub brush over the battle ship's deck. And as the saying runs, they have a "girl in every port."

Richard Whittlesey has just made a new invention for milking cows and feeding those blamed pigs; so he can sit in the movies longer and swoon for Joan Leslie. And he's the boy that can do it.

Well that super service oil station which is located just off Main Street in Gilmore and is still open, is owned by Jim Hansen. He lets all of the former classmates of his, get gass for nothing, that is the girls.

Well, well, what have we next, but our top and body handy man, Bill Klein, who has just made a fortune in repairing wreched cars, expecially chevrolets.

Edith Warren finds it very easy to do any kind of bookwork. Edith was one of Gilmore High's best hard working students.

Has anyone been at Humboldt lately? Week nights you will find the former Roberta Weaver and her husband crooning to their little offspring, but on Sunday they take a trip to Ft. Dodge, and enjoy themselves just like old times.

Another of our former classmates, Virgil Behrendsen, has just been discharged from the Marine Corps, and though he is not married, Virgil plans to start up a large duck farm. I remember Virgil as the boy with the black Model "A".

# CLASS WILL

We, the class of '46,  
Won't be seen around the school after this.  
Some of our genius we'd like to leave,  
It's very unusual we believe.  
You the class of '47  
Will have to wake up and be in heaven,  
So take the lead in work and play  
In a very wise, intelligent way.

I, Beth Coffin, to Phyl Wingerson, will my ability to get a man,  
Even though your able sailor is always on hand.

I, Curt Stein, will my wrestling ability to Gerald Dunn,  
It will always come in handy, and can even be fun.

I, Bill Brown, to Irvin Pedersen, will my old Red "A",  
It always seems to run, either for work or for play.

I, Mary Murphy, to Byron Whittlesey, will my Fort Dodge dances,  
Life there never seems dull, but is sure full of romances.

I, Gail Rice, to Maynard Weimers, will my well worn paths to Plover,  
Even tho the town is small, you're sure to find a lover.

I, Lowell Shelgren, to Don Olesen, will my Euchere playing,  
In order to win that game, just keep hoping and praying.

I, Edity Warren, will to Bill Claman my quiet manner,  
If you keep it nearly as well, you'll surely deserve a banner.

I, Maxine Thacker, to Joanne McMahan, will my flirtatious ways,  
Follow in my tracks and you'll find quite often it pays.

I, Joanne Herrick, to Darlene Peters, will my "Hart",  
and just you remember, "The best of friends must part."

I, Art Petersen, to Paul George, will my car,  
Especially on the nights you want to travel far.

I, Edwin Cook, to Junior Nelson, will my intelligent way,  
If you use it like I did it may help you some day.

I, Ed Hart to don McCormick, will my Irish pride,  
I've found the best advice is---just to let things slide.

I, Mavis Law, will to Beverly Peters my "Jim,"  
Rule No. One---Please be good to him.

I, Lucille Davis, to Jeanine Hanrahan, will my "Bob,"  
To tell him goodbye will surely cause a sob.

I, Joanne Kleen, to Alberta Boker, will my "After the party" date,  
Boy, we really have fun, but you already rate.

I, Harvey Olesen, to Darlene Peters, will my little girl's voice,  
You can use it well, but I had no choice.

I, Virgil Behrendsen, to Arlene Eyhusen, will my farmer's life,  
If you do just like I did, it will cut through you like a knife.

I, Carol Claussen, to Dorothy Peterson, will my sweet ways,  
They might keep you happy the rest of your days.

I, Irene Siefert, to Christine Johnston, will my Sailor boy,  
So when his ship comes in, he'll bring you lots of joy.

I, Robert Skow, to Don Olesen, will my theater work,  
For that is surely a job, that no one would shirk.

I, Roberta Weaver, to Alberta Boker, will my long brown locks,  
You'll find that they facinate men for blocks and blocks.

I, Jim Bowden, to Irvin Pedersen, will my cute smile,  
For it surely has made my life worth while.

I, Doris Knieriem, to Bill Claman will my modest styles,  
In order to accomplish them you will have to go miles.

I, Doris Bruner, will to Ann Degnan my brown eyes,  
And please remember Annie, they can always tell lies.

I, Jim Hansen, to Zola Pisel, will my love for girls,  
Each one of them reminds me of a strand of pearls.

I, Richard Whittlesey, to Don McCormick, will my wavy, black hair,  
And if you do obtain it, you'll find it is something rare.

I, Jim Donnelly, will to Gerald Dunn, all of my corny phrases,  
But if you get a job, they probably won't help get raises.

I, Lorraine Hinrichs, to Beverly Peters, will my ability to catch  
a ride,  
And if you choose, choose the "A", and you'll find you won't ever  
get inside.

I, Bill Klein, will to Paul George, my ability to solve Math,  
A subject that will probably keep you going on the straight path.

We hope you can make use of these,  
Because we always aim to please,  
Don't make the mistakes we have made,  
But use them as a lesson aid.  
We wish you lots of luck tonight,  
To make tomorrow's world all right.

The Gilmore Tigers chalked up a good record in baseball last fall with a total of eight victories and two defeats.

At the Sectional tournament, held in Mallard, the Tigers drew Sacred Heart of Pocahontas and we defeated them 12-2. In the next round we met Mallard and were defeated in a thrilling 2-3 game going into an overtime.

The last game of the season, our Homecoming, we played Palmer in an exciting no hit, no run game, with the entire team doing an excellent job of playing. The final score was 16-0.

Foreseeing the future in spring baseball, the lineup will be somewhat the same, except for Jim Hansen, who will probably play a position in the field. We are in hopes of another successful season, although our competition will be much greater.

Feb. 8	Des Moines North	23	14

Gilmore City this season returned with a top ranking mat squad. Of the six individual dual meets scheduled, the local matmen broke even by winning three while dropping the remaining half. In the three tournaments entered, the Tiger grapplers more than held their own. They won third place in the Eagle Grove invitational Tournament and fourth place in the District mat tourney. One week later, in the state tournament, Gilmore City tied Ft. Dodge for fifth place among seventeen competing schools.

Curt Stein represented the Gilmore Tigers in the State meet at Clarion this year after eliminating a lot of tough competition at the District tournament.

He went through the first 2 rounds of the state with flying colors and came to meet Appleby of West Waterloo, in the finals for the State championship in the 135 lb. class. Stein defeated Appleby 5-2 in a very exciting match and became one of the ten state champions. We of the rest of the team wish to congratulate Stein on his victories and thank him for once again putting Gilmore on the map of wrestling circles.

# GIRLS BASKETBALL

The basketball season is as much a part of our small community as the post office or our produce station. It binds our town with other communities through rivalry, friendships and youth.

Even though we do not have a gymnasium or a hall large enough to play in, we enjoyed playing in the empty lot until it got too cold.

In our trips to other schools and being in their locker rooms, they always were flooded with superlatives and shrill joy if there had been any victories. If it was a lost game, it was most excellent in "getting it out of your system." Sobbing and mourning, "If only I had made my free-throws," or "That referee wasn't fair," and "Better luck next time." Wiping their eyes on slips, bath towels, or just letting the tears depart alone, they rid themselves of pent-up emotions in a perfectly legitimate feminine manner, and gamely decide, "Better luck next time."

It's a great game! breathes the boy or girl with a soul so dead they don't get excited over a doubleheader basketball game. The kind of doublehaeder we had was where we lost both games with the crowd's blood pressure mounting dangerously high in the last quarter. We again lost another so called "exciting game."

On February 7, the girls team journeyed to Plover to meet our enemy, Bradgate. It was the sectional so everyone was in high spirits hoping to win the game so we could come back the next night. Having played Bradgate several times before, we thought the time should come if it ever was going to. At the end of the last quarter we found ourselves defeated 22-26. With our heads high and a smile on our face we walked proudly off the local floor even if we had been defeated.

The Gilmore City basketball squad experienced a gaunt season because of not having enough practice. The "Tigers" played twelve games and lost all but one. We defeated Clare 39 to 19. The second team also played and were defeated inasmuch as they lacked in practice also. Some other games which were close were Rutland which we led 19 to 11 at the half. The game ended with the Tigers losing 22 to 24. Many of the other games were close, but the winning points couldn't be made. We had several scrimages and practices at Humboldt, Rutland, and once at Bode.

The squad consisted of three lettermen, Art Petersen, Ed Hart, Zola Pisel, and two boys who moved to this school, James Hansen and Glen Babbitt. Substitutes are Lowell Shelgren, Irvin Pedersen, Allen Davis, Don Babbitt, Bill Klien, Bernard Seifken, Byron Whittlesey and manager, Bill Brown.

This year's new co-captains are Art Petersen, and Jim Hansen.

The Nu-Z, our school newspaper, was ublished by the Junior Class, this year, as in previous years. Each issue was anxiously awaited by the student body although fewer papers were printed then before. This little newspaper gave interesting bits of classroom news and the sports page always helped our public to follow the wrestlers and basketball teams. Everyone was interested in the spicy little column called the "Jam Session," because many unknown gossip items were released through it.

Amid trials and tribulations of the newspaper business, the Juniors injoyed putting out the Nu-Z and they hope the public has been pleased with their efforts.

# G.H.A.A.

The Gilmore High Activity Association with Zola Pisel as leader, marked down a third year's existence. Meetings were held on the average of once a month with the exception of a few "special ones." All meetings were conducted according to parliamentary procedure and minutes of previous meetings plus a financial report were given each time. One of the big projects this year was deciding who earns letters in music, athletics, dramatics, and cheerleading. This decision provided plenty of headaches for the members of rewarding those who work the hardest for their letters. The officers of the G.H.A.A. were chosen by a nominating committee from last year's members and then voted upon by the student body.

# PEP CLUB

Last fall at the beginning of the baseball season an assembly was held for the purpose of selecting three new cheerleaders to assist the old ones from last year. Many tryouts were performed by the participants. After an exciting election by the student body Marilyn Kleen, Martha Tawney, and Patsy Murphy were chosen to aid the former cheerleaders, Betty Jane Hinrichs and Jim Donnelly. With Mrs. Juelfs as sponsor, plans were laid for the formation of a pepclub. A code of rules was drafted and presented to the student body. Everyone interested signed his name and made it a point to be at every athletic contest when possible. Soon Black and Gold caps arrived and the members of the club began wearing them to be distinguished from the other spectators.

On the whole the pep club was a success and gave our athletic teams much deserved support.

# BAND

Band started out this year with practically all the same members as formerly, plus a few new additions.

Marching band progressed quite nicely, with all the students practicing very diligently to make improvements. Their first appearance was made at the homecoming game, where they went through a group of very well performed maneuvers.

The concert band did not progress as Miss Nelson had wished because there were so many other activities to be completed. The band did get in quite a few short practices during which they practiced mostly marches. The concert band did not make any public appearances.

# SOLOS

Since the annual is going to press in March, we do not have the information we would like concerning solo work. However, we can say that there are a great many girls and boys going out. Their names and the titles of the songs they are to sing are not available now, but many of those who sang last year are trying-out again this year.

The home-contest will be held the last of March. This will be to select those who are to attend the pre-state contest to be held during the first part of April at Rolfe.

# MIXED CHORUS

A group of selected boys and girls were chosen to make up our Mixed Chorus. We practiced in the theater. Our first appearance was at a Christmas program given for the P.T.A. We sang the "Hallelujah Chorus."

Other songs we have been working on are "The Orchestra Song," "Oh, Susanna," "Deep River," and "Smoke Gets in Your Eyes." We also worked on choruses for the operetta.

This year the Mixed Chorus is privileged to participate in the music contest. We will sing "Climbing up the Mountain" and "Dance My Comrades."

The Chorus has improved this year because of the interest of many more boys.

# GIRL'S CHORUS

At the beginning of the school year, Miss Nelson held tryouts for Girl's Glee Club. Many tried out and were selected for we wanted to have a large group of singers.

We worked on several pieces, "Lullaby," "Oh Little Stars Shine Out," and "Hi Ho," and "White Coral Bells," and other songs for the Christmas program.

Our first appearance was the Armistice Program, when we sang "We Thank Thee Lord," and "Madame Jeanette." We also worked on music for the operetta.

At present we are busy preparing for the annual spring contest. We are working on several pieces. The pieces we will sing at the contest are "Ifca's Castle," a folk song in the form of a round, "Madame Jeanette," and "We Thank Thee Lord."

# HIGH SCHOOL OPERETTA

Tatiana, a princess of Russia, is held for ransom by the Cossacks. Although Dmitri, prince of Russia and her fiance, is general of Tsar Mikhail's army, he is too cowardly either to rescue Tatiana or defend Russia against invading Tartars.

Vaslav, chief of the Cossacks, goes to the Tsar's court to get the ransom. He finds himself admiring the Tsar, and offers the help of the Cossack forces against their common enemy, the Tartars.

The Tartars are beaten, and the two victorious people pledge peace. Events show that Vaslav is the son of Tsar Mikhail, long ago captured by the Cossacks. Since he is of royal blood, Tatiana, who has fallen in love with him, may marry him.

# GRADE OPERETTA

After being postponed once, the grade operetta was finally held on January 7. Those taking part were grades 4 to 6 inclusive.

The story went something like this:-

The king of Ireland had three daughters who were stolen by three wicked giants. The king offered a great reward to anyone who could find his daughters and so a fine young Irishman named Donal, sets out to try his luck at recovering them. The story goes on to tell of all the hardships he meets but in the end, he marries one of the princesses and verything ends well.

This was well presented for such a young group and everyone who saw it enjoyed immensely.

# SENIOR SEXTET

Our music department would not be complete without a Senior Sextet. At the beginning of the year Miss Nelson held try-outs and six talented girls were selected. Alberta Boker and Norma Jean Peters sing soprano. Joanne Kleen and Joanne McMahon seconds, and Carol Claussen and Maxine Thacker as altos. Since all of these girls are very much interested in music, they have practiced and sung for many programs. They appeared at County Council, all high school parties, and an assembly program at Humboldt. Some of the songs they sang were "Walking In a Winter Wonderland," at the sophomore party, "Younger Generation," and "Hi Ho," at County Council, and "All My Heart This Night Rejoices," at the Christmas program. The girls are now hard at work on songs for the annual spring music contest and we wish this talented group success.

# FRESHMAN SEXTET

One of the new music organizations formed this year was the Freshman Sextet. Six talented girls make up this group. They were chosen from try-outs and have worked diligently with their music. Marilyn Kleen and Patsy Murphy sing soprano, Martha Tawnwy and Shirley Shelgren as seconds, and Sally Thacker and Gloria Beneke sang alto at first, but Theresa Bradley took her place when Gloria moved away.

The girl's have made several appearances, singing at school parties, the Christmas program, Bradgate P.T.A. and between acts at the Junior Play. A few of their songs were "A Pansy A Daisy," "When I Grow Too Old To Dream," "It might As Well Be Spring," and "Oh Dear, What Can The Matter Be."

The girls have performed well. We hope throughout their future high school days this experience will help them to achieve still greater success.

# SENIOR PLAY

Each year it is a custom for the Senior class to present a play and this year is no exception. With twenty-nine students and a very capable director, Mrs. Turner, the Seniors intend to present something the public will find both interesting and amusing. We have a talented, interested group, boys as well as girls, and each one hopes to make this project very entertaining. As yet we haven't chosen a play, but will do so soon. We expect to present it the first week in May, and hope Mr. and Mrs. Public will appreciate and enjoy our efforts.

Mrs. Gay.....	a fretful mother.....	Phyllis Wingerson

Suffering from a mental relapse, Steve Arlen, finds himself married to an unknown woman. He can't remember what she looks like nor does he know where she is. On the pretense of a party, he calls in four of his former girl friends, hoping to make the discovery. With his friend, Charlie Coony's assistance, he hopes to distinguish the proper Mrs. Arlen by their kisses. After numerous mysteries, a little trouble, and loads of good humor, his misunderstanding little wife, Ruth, confesses she belongs to him. Charlie gets his girl, and all ends happily.

All in all it was a very good, well presented play, and we are sure that the public enjoyed it very much. Many thanks are to be given to the Juniors for their work in presenting it.

This mystery takes place at the English country estate of Rolando Blackhorne. Mysterious sounds furnish the interest.

# FRESHMAN PLAYS

Freshman talent is always interesting to our public. On April fourth, the Freshman class presented three plays. They worked diligently under the direction of Miss Johnson, Mrs. Turner, and Mr. Metcalf. Although they aren't as experienced as the upper classmen, these students were very willing and the plays were well presented.
